The Receiver's motion for an AVO and fee order proceeded before me today. Participant slip is attached.

Mr. Gilmour, for Mr. Bozzo, delivered motion materials late last night opposing the relief sought on the basis that the Receiver did not follow the court-approved sales process. He asks for an adjournment to file additional materials to explain the details.

I have not had an opportunity to review last night's materials and want to review any additional materials. For that reason, I am granting a brief adjournment to **November 12, 2021 at 2 p.m. for one hour – before me, confirmed.**

All of Mr. Gilmour's materials must be uploaded to CaseLines by November 10, 2021 at 5 p.m. Reply materials must be uploaded by November 11, 2021 at 5 p.m.

Costs of today reserved to November 12, 2021.
