Attention: Neil Jones, CPA, CA, CIRP, LIT**

All offers must be submitted by no later than 4:00 p.m., Atlantic Time, July 6, 2022, at which time the offers will be opened in private by the Receiver and such other persons as the Receiver may designate. The information contained in the offers shall be confidential after they are opened and may be revealed by the Receiver, solely at its discretion, to any person, including, without limitation, senior secured creditors.

3. All offers must be expressed in Canadian dollars and accompanied by a certified cheque or bank draft payable to BDO Canada Limited, in Trust (in Canadian dollars), for fifteen percent (15%) of the offered purchase price for the Parcels, which are the subject of the Invitation for Offers. Offer deposits may also be submitted by bank transfer provided the funds are received prior to the time of the closing of the offer and bank transfer information may be obtained from the office of the Receiver. If the offer is accepted and approved by the Court, if necessary, then this payment will be deemed to be a cash deposit and any interest thereon shall be to the credit of the Receiver and such interest is in addition to and does not form part of the purchase price. The successful offeror (who shall become the Purchaser) shall pay the balance of the purchase price to the Receiver at the closing. Any deposit will be forfeited as liquidated damages by the offeror to the Receiver if the offer is withdrawn at any time before notification of acceptance of the successful offer has been given. Deposits, excluding interest, shall be returned to each person whose offer is not accepted. The deposit of any successful offeror shall be forfeited to the Receiver as liquidated damages if the sale is not completed by the successful offeror by reason of his default.
4. The highest or any offer shall not necessarily be accepted. Any offer accepted by the Receiver and the contemplated resultant sale may be subject to approval by the Court of the Queen’s Bench of New Brunswick.
5. Deposit funds accompanying unsuccessful offers will be returned no later than fifteen (15) business days from the date of the final day for receipt of offers, by hand or by registered mail, addressed to the offeror at the address stated on the form submitted. Any interest earned on the deposit funds of either successful or unsuccessful offerors shall be to the credit of the Receiver.
6. All Assets will be sold on an “as is, where is” basis with the presumption that the offeror has inspected the Assets described. No representation, warranty or condition is expressed or shall be implied as to title, description, fitness for purpose of intended use, quantity, condition or quality thereof in respect of any other matter or thing whatsoever, and each offeror shall be deemed to have relied entirely upon his inspection and investigation. Without limiting the generality of the foregoing, the Assets are specifically offered, as they will exist on the closing date. If, on or before closing, it is found that there are encumbrances or charges against any of the property being offered for sale which the offeror has not agreed to assume in addition to, or as part of, their purchase price, the Receiver may rescind the agreement to sell the Assets in question and the offeror shall be entitled to the return of their deposit without interest and without any other compensation of any kind or nature whatsoever for any loss, damages or other costs. If the Receiver does not rescind, it shall have until closing to remove any such encumbrances or charges, failing which the Purchaser may terminate the agreement and shall be entitled to a refund of its deposit. The Purchaser shall have no other rights or remedies against the Receiver.
7. The obligation of the Receiver to sell and the offeror to purchase the Assets shall terminate in the event that prior to the closing date of the sale, such assets are substantially destroyed by fire, flood, the elements, government action, civil commotion, or any other external cause beyond the control of the Receiver, unless it is agreed between the parties that the Receiver repair the property and complete the sale or assign any insurance proceeds to the Purchaser and complete the sale.
8. The Receiver, at its sole discretion, reserves the right to withdraw any or all of the Assets from the Invitation for Offers prior to the date set for the closing of the receipt of offers and further reserves the right to cancel the Invitation for Offers at any time or alter, add, or waive the Terms and Conditions, in whole or in part, as it deems appropriate, and any Purchaser shall be bound by such waiver.

9. The Receiver may refuse to accept any offer received from a potential Purchaser. Offers received by the Receiver that do not strictly comply with the Terms and Conditions or which contain proposals to vary, amend or supplement the Terms and Conditions of Sale may, in the absolute discretion of the Receiver, be rejected. Before accepting an offer, the Receiver may, in its sole discretion, negotiate with any potential Purchaser for changes to that person's offer. The Receiver shall not be obligated to negotiate with any potential Purchaser or to give any potential Purchaser an opportunity to resubmit an offer, whether or not the Receiver negotiates with any potential Purchaser. Upon receipt by the Receiver of an offer, the potential Purchaser submitting the offer shall not be entitled to retract, withdraw, revoke, vary or countermand the offer and such offer shall be irrevocable prior to acceptance or rejection thereof by the Receiver.
10. The Advertisement of this Invitation for Offers, the Offer, the Acceptance by the Receiver, and these Terms and Conditions of Sale, which shall be deemed to form part of such offer, shall constitute a binding "Agreement of Purchase and Sale" and time shall be of the essence of such agreement. There are no other terms or conditions of sale and there are no verbal or written collateral agreements.
11. The offeror whose offer is accepted (now becoming the "Purchaser") acknowledges that the Receiver has no personal or corporate liability under these Terms and Conditions of Sale or any Agreement of Purchase and Sale. The Agreement of Purchase and Sale shall be terminated, at the option of the Receiver without any penalty or liability whatsoever to the Receiver or Purchaser in each of the following events (in addition to the other events stipulated in these Terms and Conditions of Sale):
 - a. an Order being issued on or prior to the time of closing preventing the sale from proceeding; or
 - b. the Assets subject to a sale are substantially destroyed or removed from the control of the Receiver by any means or process; or
 - c. a redemption of the Assets subject to a sale by a party entitled thereto at law.
12. The details of the Assets which are the subject matter of the Invitation for Offers are included with these Terms and Conditions of Sale. The details have been prepared solely for the convenience of prospective purchasers, are not warranted complete or accurate, and are subject to the other qualifications referred to in Condition 6 above. The information contained in the Receiver's Invitation Package has not been audited or reviewed in any way and is subject to Condition 8 above.
13. All offers shall be submitted on the Form of Offer, which is attached to these Terms and Conditions. Offers received by the Receiver that are not on the required Form of Offer may be rejected by the Receiver.
14. The Receiver will only consider offers for the Assets of NWCC as described in Parcel 1 through Parcel 15 of the Invitation for Offers. The Receiver will not consider offers for specific assets, or combinations thereof, which do not conform to the Parcel descriptions. **In the event the offeror wishes to direct an offer en bloc for any combination of Parcels 3 through Parcel 15, the offeror must designate separate offers for each of the Parcels.**
15. With respect to the purchase of Parcel 1, the Receiver understands that the landlord of the Leased Premises is willing to enter into negotiations for the purposes of entering into a lease agreement with the Purchaser for purposes of operating a vehicle collision repair business at the Leased Premises. Following the acceptance of an offer for Parcel 1, it is the responsibility of the Purchaser to enter into a lease agreement with the landlord for purposes of operating a vehicle collision repair business at the Leased Premises, and the Purchaser acknowledges that the Receiver has no personal or corporate liability under these Terms and Conditions of Sale or any Agreement of Purchase and Sale to facilitate a lease agreement between the Purchaser and the landlord of the Leased Premises. Further, the closing of the transaction with the offeror of Parcel 1 will not be dependent on such a lease agreement being negotiated. If the Purchaser is unable to negotiate a lease agreement for the Leased Premises, the Purchaser shall at a date as may be agreed to by the Vendor and after full payments has been received, at its own expense, dismantle and remove the Purchased Property from its present location and shall restore the current location and/or site to a neat and clean condition and the Purchaser shall repair and be liable for any damages or claims whatsoever caused by, or in any way arising out of, such dismantling and removal. The Vendor will not be responsible for any damages or costs whatsoever which may arise from the Purchaser's removal or failure to remove such Purchased Property from the Leased Premises.

16. With respect to the purchase of Parcel 2, Parcel 3, Parcel 6 and Parcel 8, the Purchaser of these Parcels shall within 30 days of Vendor Acceptance, or such later date as may be agreed to by the Vendor and after full payments has been received, at its own expense, dismantle and remove the Purchased Property from its present location and shall restore the current location and/or site to a neat and clean condition and the Purchaser shall repair and be liable for any damages or claims whatsoever caused by, or in any way arising out of, such dismantling and removal. The Vendor will not be responsible for any damages or costs whatsoever which may arise if the Purchaser fails to remove such Purchased Property within 30 days of Vendor Acceptance.
17. If any offer is accepted by the Receiver (acceptance shall be done so in writing, signed by the Receiver), then the successful offeror (Purchaser) shall be notified in writing by the Receiver of such acceptance within ten (10) business days of the acceptance thereof. Such notice of acceptance shall be deemed to be properly given when deposited in the post office, sent by fax, email, or personally delivered, as the case may be.
18. The Purchaser shall pay, or be responsible for, in addition to the purchase price, all applicable federal, provincial, and municipal taxes at closing, including any arrears and interest charges thereon, unless exemption certificates are supplied. The terms and conditions in this paragraph shall not merge on the closing of this transaction but shall remain in full force and effect. Other adjustments at closing shall include deposits made to the Receiver as well as other like adjustments as the Receiver deems appropriate.
19. The balance of the purchase price shall be due and payable on closing, which closing shall occur within thirty (30) business days after acceptance of an offer by the Receiver provided that where Court approval may be sought by the Receiver and has not been obtained within thirty (30) business days of the date of acceptance, the closing date shall be extended for a further thirty (30) business days, or to such other date as may be mutually agreed between the Receiver and Purchaser.
20. The sale may be subject to the approval of the Court of the Queen's Bench of New Brunswick. Conveyance of personal property described in Parcel 1 through Parcel 15 will be by way of Receiver's Bill of Sale without warranty of any kind.
21. If the Purchaser fails to comply with the terms and conditions of the Agreement of Purchase and Sale, the deposit and all other payments thereon shall be forfeited and the Assets may be sold and the deficiency, if any, by such resale, together with all charges attending to the same or occasioned by such default, shall be paid forthwith by the defaulting Purchaser.
22. The Receiver shall not be required to furnish or produce any surveys, real property reports, abstracts, deeds, declarations, or other documents as evidence of title except those in its possession. It is the responsibility of the Purchaser to satisfy itself as to title and conditions at their own expense within ten (10) business days of receipt of notice of acceptance of offer. All costs associated with the Purchaser's due diligence process are strictly for the account of the Purchaser. Without limiting the generality of such due diligence costs, they would include all legal costs, surveys, inspections, and insurance.
23. The Receiver (or its designate) shall remain in possession of the Assets until the purchase is complete and title to the Assets shall not pass to the Purchaser nor shall they be entitled to possession of same until the purchase price has been paid in full, unless otherwise agreed between the parties.
24. If, prior to the closing date, legal proceedings are either threatened or commenced by any person against the Receiver or its principals concerning the security, the Agreement of Purchase and Sale, or the Assets to be purchased, the Receiver may elect, in its sole discretion and upon notice to the Purchaser, to terminate the Agreement of Purchase and Sale.
25. The obligation of the Receiver to perform the Agreement of Purchase and Sale is conditional upon receipt of all necessary governmental or other approvals, waivers or releases as may be required to enable the Receiver to comply with its obligations thereunder.
