1.0 INTRODUCTION AND PURPOSE OF REPORT

1.1 Introduction

1.1.1 Pursuant to an Interpleader Order issued by Justice Pattillo of the Ontario Superior Court of Justice (the "Court") dated December 7, 2021 (the "Appointment Order"), BDO Canada Limited was appointed receiver (the "Receiver"), without security, of the Contested Funds held by 13364097 Canada Inc. and Bao Ying Cao (collectively the "Applicants"). A copy of the Appointment Order is attached as Appendix A.

1.1.2 Therein, the Court declared:

    a) that a conflict exists among certain Users of Sunrise Technology (the "Sunrise Users") who have claims to funds (the "Contested Funds") that they provided as part of a scheme (the "Sunrise Technology Scheme") operated by the respondent Xiaodong Yang ("Yang"), some of which were held by the Applicants; and,

    b) that the Applicants have no beneficial claim to the Contested Funds, having come into possession of certain Contested Funds as a result of the Sunrise Technology Scheme.

1.1.3 Additionally, the Court Ordered:

    a) the Applicants to transfer the Contested Funds to a receiver, to permit the Receiver to access, control and disburse the Contested Funds; and,

    b) that the costs of the Applicants in bringing the Application be paid out of the Contested Funds; and

    c) that the costs of the Receiver and its legal counsel be paid out of the Contested Funds.

1.2 Background

1.2.1 The Receiver understands that Bao Ying Cao ("Cao") was the sole director and shareholder of 13364097 Canada Inc ("13364097"), a corporation that was incorporated in or around September 2021 by Cao to administer the cash transactions associated with the Sunrise Technology Scheme prior to Cao determining that Yang's business was not legitimate. 13364097 was dissolved subsequent to closing its CIBC bank account.

1.2.2 As set out in the affidavit of Ms. Cao (the "Cao Affidavit") and the affidavit of Jeffrey Wang (the "Wang Affidavit") of Polley Faith LLP ("Polley Faith"), both of which were included in the Application Record submitted December 3, 2021 in these proceedings, copies of which are attached hereto, without exhibits, as Appendix B and Appendix C, respectively. Ms. Cao fell victim to a scheme that was orchestrated by Yang.

1.2.3 The Cao Affidavit and Wang Affidavit outline in detail how Cao was induced into transacting with Yang and how it was determined that Yang's operation was illegitimate. Below we provide a summary of these details.

1.2.4 In July 2021, Ms. Cao replied to a part-time trading job advertisement that was believed to be posted by Yang on the Chinese-Canadian forum yorkbbs.ca.

1.2.5 Yang advised Cao that he was seeking her assistance in trading USDT, a form of cryptocurrency, and she would be paid a 5% commission for each transaction. Yang said that he would send money to Cao to buy USDT, which she would then transfer to him.

1.2.6 In August 2021, Yang's operation evolved beyond what he originally represented to Cao as Yang asked Cao to process transactions for his customers. He told Cao that he operated a cryptocurrency trading platform called Sunrise Technology where customers could order USDT. The customers would send funds to her bank accounts, and she should use that money to purchase and transfer USDT to him to distribute to his customers.

1.2.7 Cao processed numerous transactions per day at Yang's direction. Yang instructed Cao to open additional bank accounts to bypass each account's daily transaction limit. Ultimately, at Yang's instruction, Cao used six bank accounts and two alternative payment methods to facilitate the transactions as outlined below:

   a) two existing personal bank accounts at HSBC and Scotiabank;

   b) two existing PayPal accounts;

   c) A personal account at CIBC opened August 31, 2021;

   d) A CIBC business account opened September 23, 2021 under the name of the applicant 13364097 Canada Inc., a business which Cao incorporated for this purpose;

   e) an EQ Bank Canada ("EQ") account opened September 10, 2021, whose purpose was to purchase USDT;

   f) a personal account at RBC opened September 28, 2021, which funds were transferred to an HSBC account and no longer contained Contested Funds; and

   g) a Wise Payments Canada Inc. ("Wise") money transfer account, opened September 28, 2021;

   (collectively the "Applicants Accounts").

1.2.8 Cao initially trusted that Yang was running a legitimate business but became increasingly alarmed at the volume of funds flowing into the Applicants Accounts and became suspicious as to the legitimacy of Yang's business.

1.2.9 Despite Yang's attempts to assure Cao that the business was legitimate, in October 2021 Cao sought legal advice and ultimately retained Polley Faith on or around October 26, 2021.

1.2.10 Shortly after being retained, Polley Faith determined that Cao had been a victim of a fraudulent Ponzi scheme, and advised Cao to stop communicating with Yang and engaging in transactions.

1.2.11 Through its investigation, Polley Faith determined that despite telling Cao he was operating a USDT trading platform, Yang was in fact marketing a scheme under the name Sunrise Technology in which Sunrise Users were offered "commissions" for placing false e-commerce orders through a downloadable application.

1.2.12 Polley Faith further determined that Yang's supposed business, including the application and website marketed as Sunrise Technology, was a form of Ponzi scheme designed to entice users to make small payments and receive small returns, and to gradually make larger investments that Yang had no intention to repay. Yang concealed the true purpose of his scheme from Cao.

1.2.13 The funds that Cao was receiving into her bank accounts which Yang represented as customers placing USDT orders were obtained from Sunrise Users who believed that they were loading funds onto the Sunrise Technology application (the "Sunrise App").

Description of the Sunrise Technology Scheme

1.2.14 The Sunrise App is a mobile application that purported to allow Sunrise Users to earn "commissions" by placing false e-commence orders on what was believed to be various legitimate co-operating websites (Wish.com, eBay.com, Walmart.com and Amazon.com). Sunrise Users were led to believe their funds were being used to "purchase and immediately refund" these products, to benefit the vendor selling the products (i.e. to increase their ratings). To place orders, Sunrise Users were required to first upload funds onto the Sunrise App in the form of Canadian dollars or USDT cryptocurrency. Each user could perform up to twenty (20) orders (or spins) per day earning supposed commissions thereon. Users believed they could then withdraw their commissions in the form of Canadian dollars or USDT.

1.2.15 Given the nature of the fraud, the Receiver understands there were in fact no commissions earned, and Sunrise Users were simply trading dollars by depositing larger sums than they were authorized to withdraw.

1.2.16 Yang received proceeds under the Sunrise Technology Scheme via the USDT transfers that Yang told Sunrise Users and Ms. Cao to send to his imToken digital wallet. Yang's true identity and location are unknown.

1.2.17 Under the direction of Polley Faith, Ms. Cao ceased participating in the Sunrise Technology Scheme, notified the Financial Institutions (as defined herein) to no longer accept payments, moved to preserve the Contested Funds held in the Applicants Accounts and ceased communicating with Yang. Further, Cao cooperated fully with the investigation of the York Regional Police and with the Ministry of the Attorney General, which had no objection to the Applicants' civil application.

1.2.18 Due to the complexity and volume of transactions Cao performed and the number of accounts and platforms Cao used, Cao was unable to determine how and to whom Cao should return the Contested Funds, and accordingly sought the appointment of BDO Canada Limited as Receiver to, among other things, perform a detailed accounting of the Applicants' banking records.

1.3 Receiver's Mandate

1.3.1 As outlined in the Appointment Order, the Contested Funds are to be directed to the Receiver to permit the Receiver to access, control and disburse the Contested Funds.

This process requires the Receiver to review and untangle a significant number of transactions in numerous accounts held by the Applicants and requires the Receiver to seek Court approval of a Claims Process and the proposed distribution of the net Contested Funds on hand.

1.3.2   The Appointment Order does not mandate the Receiver to analyze or otherwise take any action with respect to cryptocurrency transactions to or from the "Sunrise Wallets," or with respect to cryptocurrency that may have been uploaded by Sunrise Users to the Sunrise App. Similarly, although the Receiver has received information from the Applicants that other individuals in similar positions to Ms. Cao received e-transfers from Sunrise Users (outlined below), the Receiver has no mandate to perform an analysis of those transfers or the funds involved.

1.3.3   The Receiver's position is that qualified "Sunrise Claimants," eligible to make a claim against the Contested Funds, are those Sunrise Users who performed e-transfers and provided funds to the Applicants. The Receiver understands that its mandate is to return the funds provided to the Applicants by the qualified Sunrise Claimants, as best as possible in the circumstances.

1.3.4   The cash transactions made by hundreds of Sunrise Users through the Sunrise App were processed through unsophisticated methods such as e-transfers through the Applicants' bank accounts and payment processing platforms held with CIBC, HSBC, Scotiabank, Wise, EQ and PayPal (collectively the "Financial Institutions").

1.3.5   The Receiver has contacted and is attempting to work with the various Financial Institutions where the Contested Funds had been deposited and/or distributed from. Given the significant volume of transactions, the number of Sunrise Users and since the various Financial Institutions have provided details in various forms and applications, not all of which is complete, this process has been ongoing. Additionally, the Receiver requires a Court Order directing Royal Bank of Canada to provide the Receiver with specific transactional data as outlined herein.

1.3.6   There was no formal record keeping for the Sunrise App transactions which the Receiver could rely upon. Accordingly, it is critical to the Receiver's mandate to obtain the detailed bank account transactions from the Financial Institutions so that the Receiver can report to the Court on the nature and extent of claims for each Sunrise Claimant in order to proceed with a Claims Process and the distribution of the net Contested Funds.

1.4   Purpose of this Report

1.4.1   This constitutes the Receiver's First report to the Court (the "First Report") in this matter and it is filed to:

- Report on the Receiver's activities in these receivership proceedings since its Appointment;

- Report on the results of the Receiver's review of the details of the Applicants Accounts obtained by the Receiver and outline the Information Gaps (as defined herein);

- Provide the details of the Sunrise Wallets (as defined herein) and the concerns raised by Sunrise Users that transacted in the Sunrise App via USDT, a form of cryptocurrency;

- Outline the Receiver's proposed Claims Process (as defined herein); and

- Request an Order, *inter alia*:

  - approving the First Report and the activities of the Receiver set out herein;

  - requiring RBC to provide the Receiver with the details of the RBC Transactions;

  - declaring that only those Sunrise Users who e-transferred funds to the bank accounts of the Applicants are eligible to make a Claim to the Contested Funds;

  - authorizing the Receiver to take no further actions in relation to the Sunrise Wallets;

  - approving the Claims Process;

  - approving the Receiver's interim statement of receipts and disbursements for the period December 7, 2021 to May 18, 2022 (the "Interim R&D");

  - approving the fees and disbursements of the Receiver and its legal counsel, Scarfone Hawkins LLP (the "Receiver's Counsel"), as outlined herein; and

  - such other relief as the Court deems appropriate.

1.5   Scope and Terms of Reference

1.5.1   The First Report has been prepared for the use of this Court and stakeholders of the Contested Funds as general information relating to these proceedings and to assist the Court in making a determination of whether to approve the relief sought herein. Accordingly, the reader is cautioned that the First Report may not be appropriate for any other purpose. The Receiver will not assume responsibility or liability for losses incurred by the reader as a result of the circulation, publication, reproduction or use of the First Report different than the provisions of this paragraph.

1.5.2   In preparing this First Report, the Receiver has relied upon limited records of the Applicants and available unaudited financial information together with information provided by the Financial Institutions (as defined herein).   While the Receiver has reviewed certain of the Applicants' records, such work does not constitute an audit or verification of such information for accuracy, completeness, or compliance with

Generally Accepted Accounting Principles or International Financial Reporting Standards. Accordingly, the Receiver expresses no opinion or other form of assurances with respect to such information except as expressly stated herein.

1.5.3 Capitalized terms used but not defined in this First Report shall have the meaning ascribed to them in the Appointment Order.

1.5.4 This First Report, and all court materials and orders issued and filed in these receivership proceedings are available on the Receiver's website at: https://www.bdo.ca/en-ca/extranets/sunrise-claims/ and will remain available on the website for a period of six (6) months following the Receiver's discharge.

2.0   Receiver's Activities

2.0.1 With the exception of the bank account statements and e-mail addresses that Counsel for the Applicant extracted, there was no formal record-keeping listing specific names, contact information and/or tracking of individual Sunrise Users' transactions, as would be expected in a typical business entity. The Receiver understands that Yang did not provide any direction or platform to Cao to be able to track the Sunrise Users' contact information or transactions.

2.0.2 The Receiver obtained and reviewed the bank account statements, as provided by Counsel for Cao, from the respective Financial Institutions listed in the Appointment Order.

2.0.3 Based on the Receiver's review, it became evident that there was insufficient information to identify and sort through the individual transactions to/from the Applicants Accounts. The bank account statements provide only limited deposit and withdrawal information and do not provide the required e-mails and/or proper names for the counterparty for a significant majority of the transactions. Where names or pseudonyms were identified on the statements, they were incomplete or indeterminate of the counterparty that processed the transactions.

2.0.4 In order to proceed with its mandate, the Receiver has undertaken the following activities:

   a) Subsequent to the issuance of the Appointment Order, the Receiver issued notices to the Financial Institutions of its Appointment, requested that the funds on hand, if any, were to be transferred to the Receiver's account and requested the full particulars of each transaction in the Applicants Accounts including, but not necessarily limited to, the counterparty to each transaction;

   b) Since that time, the Receiver has had extensive correspondence with the Financial Institutions to obtain and secure: the Contested Funds in the Applicants' Accounts; the detailed analysis of the Applicants' Accounts transactions; and, to follow up regarding outstanding items, and in particular the Information Gaps outlined further below;

   c) Corresponded with Sunrise Users via e-mail and/or telephone to discuss their claims, timing of a claims process, the Sunrise Wallets (as defined herein), etc.;

   d) As outlined in Section 4.0 herein, the Receiver has reviewed the information in the Sunrise Wallets and the possibility of, and constraints in, ascertaining with certainty the Sunrise Users that utilized the Sunrise Wallets. This included correspondence with related Law Enforcement and investigators of cryptocurrency transactions;

   e) Extensive review of in excess of 6,000 transactions in the Applicants' Accounts, including, but not necessarily limited to: extracting the detailed information from various forms of software provided by the Financial Institutions, reconciling the detailed transactions by category and by Sunrise User, etc.;

f) Developing a Claims Portal, as defined herein, to be utilized in the Claims Process;

g) Correspondence and communications with the Receiver's Counsel regarding the consideration of Sunrise User claims, the Sunrise Wallets, developing the Claims Process, seeking cooperation from the various Financial Institutions, etc.

2.1   Review of the Applicants' Accounts

2.1.1   The Receiver obtained bank transaction details from the Financial Institutions in various forms (e.g. excel, pdf, facsimile) and the Receiver's forensic group has converted all of the data into excel so that the information can be analysed.

2.1.2   In the Receiver's view, the purpose of a detailed review/analysis of the banking transactions to/from the Applicants Accounts is to:

a) Identify the name and e-mail address of each Sunrise User in order to determine who may be eligible to file a claim against the Contested Funds (the "Sunrise Claimants");

b) Determine the net claim position for each Sunrise Claimant and prepare a detailed claim statement (the "Claim Statement") in an effort to expedite the claims process;

c) Minimize or eliminate claims filed by Sunrise Users or other individuals that do not have an eligible claim to entitlement to a distribution from the Contested Funds;

2.1.3   As an illustration, to date, the Receiver has been contacted by parties claiming to have submitted funds via other (but possibly related) apps and/or to individuals including:

a) BestAd;

b) Wayfairs.net;

c) Sunriserios123@gmail.com;

2.1.4   Additionally, the Receiver has been contacted by the Edmonton Police Service regarding complaints regarding the BestAd app, however, neither the Receiver nor the Applicants are aware of any association as between BestAd and/or Wayfairs.net and/or Sunriserios123@gmail.com and the Contested Funds.

2.2   Receiver's 245 Notice

The OSB confirmed to the Receiver that a Receiver's Notice pursuant to section 245 of the *Bankruptcy and Insolvency Act* is not required given that the Receiver's Appointment Order was issued pursuant to the *Court's of Justice Act*.

2.3   Interests in the Contested Funds

2.3.1   The Contested Funds were held in the Applicants' various personal and corporate accounts, with the majority of the funds as at the date of the Receiver's appointment held in the 13364097 corporate CIBC account. At this time, aside from Sunrise Users that may be eligible to file a claim, the Receiver is not aware of any other creditors and/or

government agencies that might have a claim or interest in the Contested Funds as outlined below.

2.4   Employees

2.4.1   The Receiver understands that there were no employees of 13364097 and accordingly, no steps have been taken in respect of reviewing/considering outstanding wages, ROE's, T4's, tax remittances and/or WEPPA claims.

2.5   Government Account – Source Deductions

2.5.1   The Receiver understands that 13364097 had no employees and accordingly believes there was no payroll processed and no source deductions owing.

2.6   Government Account - HST

2.6.1   Given the limited nature of the 13364097 operations and the limited period, the Receiver understands there was no HST charged and no HST paid and accordingly, the Receiver understands there would be no HST amounts owing.

2.7   Secured Creditors

2.7.1   Based on an Ontario Personal Property Security Act search, a copy of which is attached as Appendix D, the Receiver is not aware of any parties that have a security registration or security interest as against 13364097 or the Contested Funds.

3.0   Summary of the Applicants Accounts

3.0.1   As outlined above, the Receiver has undertaken an extensive review of the Applicants Accounts. Overall, the Applicants utilized various personal and corporate accounts with 6 different banks and/or payment processing platforms (collectively the "Financial Institutions").

3.0.2   The chart below provides a summary of the Receiver's review to date of the Applicants' Accounts relating to transactions to/from Sunrise Users; transfers within the Applicants' Accounts; USDT purchases; and other miscellaneous transactions:

3.0.3   As illustrated the Net User Contributions in the Applicants' Accounts total approximately $1.56 million. This amount was reduced by the net transfers out of the accounts that were reportedly used to purchase USDT in the amount of $152,588 at the instruction of Yang and approximately $14,500 in other miscellaneous transactions. Overall, the Receiver has received $1,350,823.78 in net proceeds from certain of the Financial Institutions and is working with the Applicants and Polley Faith relating to the reconciliation and transfer of the applicable net Sunrise User funds from Ms. Cao's personal HSBC and Scotiabank accounts. The Receiver has learned there is a minimal amount (~ $320.00) in a PayPal account that is being remitted to the Receiver.

3.0.4   Based on a review of the detailed transactions in the Applicants Accounts there were in excess of 6,000transactions. To date, the Receiver could not definitively verify the e-mail address for all of the Sunrise User transactions as there are certain gaps in the information provided by CIBC and there were approximately 850 transactions that were by RBC Account Holders (as outlined below) that related to payments to/from the Applicants Accounts (collectively the "Information Gaps") as outlined further below.

3.1   Information GAPS

       CIBC

3.1.1   CIBC has provided the Receiver with detailed listings of the transactions in the Applicants' CIBC accounts, a significant portion of which have been verified, however, there were approximately 350 transactions wherein the sender/receiver contact detail was incomplete.

3.1.2 Further, in addition to the funds in the Applicants' CIBC accounts, there was an additional $23,844.92 in transactions that had been remitted to Cao (on or around October 28, 2021), however, upon notice from the Applicants' counsel to suspend the CIBC account, CIBC held the funds in a suspense account (the "CIBC Suspense Account Funds") rather than initially depositing the funds in the Applicants' CIBC accounts. CIBC has transferred the CIBC Suspend Account Funds to the Receiver, however, at this time, the Receiver is awaiting a detailed listing of the transactions.

3.1.3 CIBC has agreed to assist the Receiver with investigating the Information Gaps and has agreed to provide the information once available, however, the timeline to receive such information is not certain.

Scotiabank account holders

3.1.4 The original transaction data provided by Scotiabank excluded the account information for Sunrise Users that originated their transaction from their own Scotiabank account. After further consideration and correspondence with the Receiver's Counsel, Scotiabank has since agreed to provide the missing transaction data, which information was supplied to the Receiver on May 18, 2022.

RBC Account Holders

3.1.5 We note that RBC is not one of the Financial Institutions that held Contested Funds as at the Receiver's appointment. However, the Applicants' Accounts include e-transfers from/to various RBC account holders.

3.1.6 The counterparty e-mail for an e-transfer transacted to/from RBC does not provide an identifiable e-mail address. Rather, the 'Sender Email' for RBC transactions is represented by an indeterminant (approx.) 55 digit code which based on our review, appears to be unique to each RBC Account Holder. Below is an illustration of an RBC e-transfer e-mail address that would be recorded in the records of the Financial Institutions:

ct3899yxas6ide2n8ex2oqwlioittzwnopt33abelw227@3m.rbc.com

3.1.7 There are in excess of 850 transactions in the Applicants' Accounts to/from an RBC account holder (the "RBC Transactions") and the Receiver expects this figure to rise upon receipt of the balance of Information Gaps from CIBC. Accordingly, the Receiver and its counsel have written to RBC to request their assistance in identifying the originating e-mail address for each of the RBC Transactions so they can be matched up with Sunrise Claimants.

3.1.8 Based on their review of the Appointment Order, RBC has advised they require a further Order from the Court directing RBC to provide the details of the RBC Transactions.

3.1.9 Based on the foregoing, the Receiver is seeking an Order directing RBC to provide the details of the RBC Transactions associated with their account holders that transacted as a Sunrise User.

PayPal

3.1.10 Based on the information provided by PayPal, the Receiver has identified the names and e-mail addresses of the individuals that transacted with Sunrise via PayPal.

Wise

3.1.11 After significant efforts to make contact, Wise responded to the Receiver's request and provided the contact names and e-mail addresses for each counterparty in the Applicants Wise Account and has remitted the net funds held in the Wise account to the Receiver.

4.0   Sunrise Cryptocurrency Wallets

4.0.1   The Receiver has been advised that certain Sunrise Users transacted on the Sunrise App via USDT, a form of cryptocurrency, and that the Sunrise App accepted and processed cryptocurrency transactions to/from three cryptocurrency wallets (collectively the "Sunrise Wallets"). The Receiver was not appointed with respect to the Sunrise Wallets, and has no mandate to analyse the cryptocurrency transactions. The Receiver holds no cryptocurrency as part of the Contested Funds. The Sunrise Wallets were on the TronScan and Ethereum trading platforms as detailed in the chart below:

List of Sunrise Technology CRYPTOCURRENCY WALLETS - USDT

Tron Wallet #1	TYjR6xTaTxSoJkV3pfrwkTMiCwVTU2Rew3

Ethereum Wallet #1	0x38b2adb3bcd41bffef58fdb84f7409a5d48ee37f

4.0.2   Counsel for the Applicants has confirmed that the Applicants never received any cryptocurrency from any Sunrise User. The only use the Applicants made of the Sunrise Wallets was to provide cryptocurrency to Yang, at his direction.

4.0.3   The Sunrise App contains one of the same imToken QR codes that Yang provided to Ms. Cao when he asked her to send him USDT (i.e. Tron Wallet #1). The imToken QR codes on the Sunrise App enabled users to send USDT directly to Yang's digital wallet.

4.0.4   Tron Wallet #1 was used for most of the Sunrise App transactions, while Tron Wallet #2 and Ethereum Wallet #1 were used on a very limited basis and only in November and December 2021, after the Applicants' Accounts were closed and no longer accepting deposits.

4.0.5   The Receiver downloaded the detailed Sunrise Wallet transactions from the TronScan ("Tron") and Ethereum websites, copies of which are attached as Appendix E, Appendix F and Appendix G, respectively.

4.0.6   The chart below provides a summary of the transactions to/from each of the Sunrise Wallets in USDT and in number of transactions:

4.0.7   As illustrated, approximately 612,000 USDT combined was deposited and withdrawn from the Sunrise Wallets and there were a total of 1,066 deposits and 742 withdrawals from the Sunrise Wallets. The overall average deposit and withdrawal for the Sunrise Wallets was 574.44 USDT and 824.73 USDT, respectively. Excluding 6 large withdrawals totaling 128,916 USDT, which were likely made by the individual(s) who orchestrated the Sunrise Technology Scheme, the average balance of the remaining withdrawals is 656.29 USDT.

4.1   Sunrise Cryptocurrency Users

4.1.1   The Receiver has been contacted by various Sunrise Users who advised that all or a portion of their deposits on the Sunrise App were made via cryptocurrency.

4.1.2   These Sunrise Users contacted the Receiver to outline their concerns that the Receiver's Appointment, and in particular the Appointment Order, relates solely to the banking transactions in the Applicants' Accounts and not the Sunrise User transactions that were transacted using cryptocurrency. These Sunrise Users have raised a further concern (which the Receiver shares), that Sunrise Users who deposited using bank transfers could have withdrawn USDT on the Sunrise App, thereby reducing their claim to the Contested Funds. The Sunrise App continued to process deposits and withdrawals after the Applicants Accounts were closed, using only cryptocurrency.

4.1.3   As noted above, there are no records available to the Receiver which relate to the Sunrise App platform itself. It is not possible for the Receiver to link, with any certainty, a deposit of funds via e-transfer to the Applicants with a subsequent withdrawal of cryptocurrency. As indicated, it was possible for Sunrise Users to upload cryptocurrency into the Sunrise App, or to send e-transfer deposits to other parties in the same position as Cao. The Receiver has no way to determine what the "account balance" of any Sunrise User was at the time of any potential cryptocurrency withdrawal, and, accordingly, would not be in a position to directly set off any funds withdrawn against funds that had previously been e-transferred to the Applicants.

4.1.4   As outlined herein, the Receiver's view, which it understands to be supported by Counsel for the Applicants, is that its mandate relates to the return of funds contained in the Applicants' Accounts, and not a full investigation of all transactions made by any User on the Sunrise App.

4.1.5   Additionally, while the Receiver expects that Sunrise Users who submitted USDT on the Sunrise App would provide evidence to support their position, the Receiver has concerns that individuals that withdrew USDT would not acknowledge their transactions and while certain Sunrise Users could have benefited from withdrawing USDT, relative to the average USDT withdrawal of 656.29 USDT (excluding six large transactions noted above), the cost and effort to investigate and verify the USDT transactions is expected to be significant and as outlined below, the outcome is unknown.

4.1.6   However, given the Sunrise Users' concerns, the Receiver sought to understand if the identity of the individuals that transacted with/withdrew from the Sunrise Wallets can be made with certainty (i.e. similar to the Applicants' Accounts). The steps taken by the Receiver are outlined below.

Counterparty wallets transacting in the Sunrise Wallets

4.1.7   In reviewing the counterparty addresses in the Sunrise Wallets with a co-operating Sunrise User, the Receiver learned that that the corresponding to/from address for each transaction is not unique. That is, wallet addresses are recycled by the exchanges. The addresses belong to the exchanges and are used by multiple people as each exchange uses the wallet address only to transfer funds in and out of the exchange.

4.1.8   Accordingly, unless details are obtained from each exchange that was utilized, which will be costly, or unless each individual that withdrew USDT from the Sunrise Wallets disclosed this, the Receiver would not easily identify who received the funds and also, what their net position would be in relation to their overall USDT transactions.

Cryptocurrency Exchanges

4.1.9   The Receiver was advised that cryptocurrency transactions could be made by individuals over any number of exchanges including Binance Canada ("Binance"), Shakepay and Kraken to name a few and that Binance is understood to be one of the most highly utilized exchanges in Canada. Accordingly, the Receiver wrote to Binance requesting their assistance in identifying the individual account holders of parties that sent/received cryptocurrency transactions via Binance to/from the Sunrise Wallets. Binance responded advising as follows:

"Our protocol requires that we communicate with law enforcement representatives directly. In order for Binance to be able to share any customer-related data, including account balance or account status, we require a request from a government law enforcement agency, sent from the official work email address."

4.1.10 Accordingly, the Receiver contacted an Officer with the York Regional Police ("YRP") who is investigating the Sunrise matter. The Officer advised that a production order is typically required to obtain information from each cryptocurrency exchange that was involved, not all of which are known at this time. Further, it can be very difficult to ultimately trace the individual who was involved in the cryptocurrency transaction and his understanding is that the exchange can only advise if the transaction was from within the same exchange (e.g. Binance to Binance). For example, once the cryptocurrency is removed from the Binance exchange, Binance would have no visibility as to who owns the wallet that funds were transferred to.

4.1.11 Additionally, the Receiver contacted a Certified Anti-Money Laundering Specialist who advised that the Tron Sunrise Wallets are non-custodial wallets, meaning Tron is not a Know-Your-Client ("KYC") platform. It is believed that there would be no central authority who has the information. Tron is a wallet provider and does not hold any of

the crypto. Further, while it's not entirely impossible to ascertain the counterparty to each transaction, it would be very time consuming and costly to determine. The Tron Wallet transactions are performed on a decentralized exchange ("DeFi") and all of the transactions have been performed with DeFi using swaps, which are almost untraceable due to the nature of co-mingling of liquidity pools.

CipherBlade LLC

4.1.12 Lastly, the Receiver was directed to and contacted CipherBlade LLC ("CiperBlade"), a firm that investigates and tracks cryptocurrencies. CiperBlade advised the Receiver that they could potentially assist by identifying the exchanges that are connected to the applicable Sunrise Wallet transactions which could then be used to subpoena the applicable exchanges, in an attempt to identify the counterparty.

4.1.13 CipherBlade estimates it will cost between USD $7,800 to USD $15,000 to perform their forensic investigation to determine the exchanges (i.e. prior to seeking orders requiring the exchanges to provide the KYC details, if available).

4.1.14 CipherBlade advised the Receiver that the forensic tools and software that exists for the Tron blockchain simply are not good and are quite inferior to those that exist for more mainstream blockchains such as Bitcoin and Ethereum. As a result:

   a) It would take longer than it otherwise would to perform the forensic analysis;

   b) CipherBlade may have difficulty identifying some of the relevant exchanges and/or from a cost-benefit perspective, it may not be advisable to attempt to identify certain transactions;

   c) It's likely that at least some of the counterparties will not be identified in the end for this reason.

4.1.15 Based on the foregoing, it is not certain if all or any of the counterparties and/or the exchanges for each transaction can be verified. Even if they could be, the Receiver notes that the information potentially recoverable by Cipherblade would only assist in the first step of potentially identifying the relevant exchanges involved in the transactions. Following an identification of the various exchanges involved, if that were possible and successful, then Court Orders would likely have to be secured to compel the various exchanges involved to co-operate and to provide more detailed information about the individual transactions. If that were successful, the Receiver would next have to make further attempts to trace and identify the specific individuals involved in the many transactions.

4.1.16 Thus, after spending a possible $15,000 USD to identify the exchanges involved, the Receiver expects that a significant amount of funds would still need to be spent in order to secure Court Orders and compliance, analyze the information provided, and make attempts to identify the individual users (which may not be possible in the end result). The cost of all of this investigation would ultimately be borne by the Applicants, as it would be paid out of the Contested Funds, and would serve to reduce the pool of funds available for distribution.

4.1.17 In reviewing the quantum and value of the transactions of Tron Wallet #1, the Receiver segregated the extent of transactions using a threshold of 3,000 USDT.

4.1.18 As illustrated in the chart below, there are 47 transactions over 3,000 USDT and 687 below 3,000 USDT:

Tron Wallet #1	TYjR6xTaTxSoJkV3pfrwkTMiCwVTU2Rew3		
	> 3,000	< 3,000	Total
Total # of Withdrawals from Tron Wallet #1	47.00	687.00	734.00
Total value of Withdrawals	310,593.16	290,788.18	601,381.34
Average Value of Withdrawals	6,608.37	423.27	819.32

4.1.19 The overall average withdrawal is 819.32 USDT and the average transaction value below 3,000 USDT is 423.27 USDT.

Summary

4.1.20 Sunrise Users that transacted via cryptocurrency are concerned that these transactions will not be given consideration in the determination of their claims and certain people that remitted cash and later withdrew more USDT than they remitted would be overpaid if the fulsome view of the crypto transactions is not investigated. That is, if Sunrise Users withdrew USDT, any withdrawals would likely first be set-off against any USDT deposits made and accordingly all of the transactions would have to be investigated and verified.

4.1.21 The Receiver has reviewed the Sunrise Wallets as outlined herein and based on discussions with CipherBlade, YRP and an Anti-money Laundering Specialist and relative to the average transaction value, the Receiver believes that it would be costly and difficult (if not impossible) to identify the individuals that withdrew funds from the Sunrise Wallets.

4.1.22 Accordingly, while some parties may have benefited by making deposits via cash e-transfers and then ultimately withdrawing cryptocurrency, there would be significant costs associated with attempting to make a final determination of the cryptocurrency transaction counterparties, and the results may not be achieved.

4.2 Receiver's Mandate

4.2.1 The Receiver's role in these proceedings is to return the funds from the Applicants' Accounts to the Sunrise Claimants who were victims. The victims never intended to transfer ownership of the funds. They believed their deposits were being made into their Sunrise 'account' and in effect, Ms. Cao became a fiduciary over the money and owes an obligation to return it, as best as possible, to the rightful owner(s), being the parties that transferred funds into the Applicants' Accounts. The Receiver's mandate, as set out in the Appointment Order, does not extend to the Sunrise Wallets or to analyzing the Cryptocurrency transactions. As indicated, the Applicants never received any cryptocurrency, and the Receiver does not hold any cryptocurrency as part of the Contested Funds. The Receiver is not appointed to perform a full adjudication of every transaction performed on the Sunrise App, or to adjudicate any claim with respect to the Sunrise App scheme as a whole. Additionally, the costs to fully investigate the transactions in the Sunrise Wallets would further dilute the funds available for distribution.

In light of the complexities associated with Sunrise App USDT transactions and the related costs, the Receiver requests the Court's approval that the Receiver is not obligated to take any further action in respect of the Sunrise Wallets.

5.1   Receiver's Claims Process

5.1.1   Pursuant to the terms of the Appointment Order, the Receiver is to determine and report on a plan for the fair and equitable distribution of the Contested Funds to qualified Sunrise Claimants.

5.1.2   As outlined herein, there are a significant number of Sunrise Claimants relative to the Contested Funds and with the exception of e-mail addresses extracted from the Applicants and/or Financial Institutions' records, there are no formalized records relating to the Sunrise User transactions, contact information and/or physical addresses.

5.1.3   Additionally, since all of the Sunrise Claimants transacted via the Sunrise App, the Receiver believes that all Sunrise Claimants would have the sophistication and means necessary to review and submit their claims on-line.

5.1.4   Accordingly, the Receiver's intention is to prepare a detailed claim statement for each Sunrise Claimant (the "Claim Statement") in order to facilitate the efficient administration of the Claims Process by having the Sunrise Claimants review and acknowledge their Claim Statement via an on-line portal (the "Claims Portal"). Each Sunrise Claimant would receive a Claim Statement and instructions on how to access the Claims Portal to acknowledge the accuracy of their Claim Statement and/or the opportunity to file a Request for Amendment or Dispute Notice, and to provide additional documentation if they disagree with any reported amounts in the Claim Statement.

5.1   Any Sunrise Claimant that wishes to participate in the Claims Process will be required to provide their contact information and government issued identification for verification. The information that is collected will be utilized to administer the future distribution to the Sunrise Claimants.

5.1.5   In proceeding in this manner, the Receiver is hopeful the Claims Process would avoid a comprehensive and time-consuming review and administration of what could be more than 2,000 claims, each of which would require a review and verification of amounts deposited and withdrawn from the Applicants Accounts, if not for the Receiver preparing the Claim Statements in advance. The Receiver is preparing an analysis of the nature and extent of the Claimants' claims based on the transactions in the Applicants Accounts. It is anticipated there will be a significant number of nominal Claim amounts where the cost of administering such claims may outweigh the actual quantum of the Claim. Accordingly, the Receiver may apply to the Court for further direction on administering/excluding such claims.

5.1.6   Any Sunrise Claimants whose interest could not be proven/verified by the Receiver, can submit a Proof of Claim form in the Claims Portal and provide all of the necessary documentation to support their claim, such that it is received by the Claims Bar Date.

5.2   Claims Process Timetable

5.2.1   Given that there remains certain Information Gaps, which the Receiver hopes to receive in the short term and finalize its analysis, the Receiver proposes to commence the Claims Process within 45 days after receipt of the Receiver being satisfied with the

accuracy and completeness of the Information Gaps. The timeline for the proposed Claims Process is outlined in the chart below.

Milestone	Claims Process	Deadline Date
Court Approval	Motion Returnable May 27, 2022	
Serve Notice / Portal Access	Serve Claims Process Order, Claims Package and related documents, and advise of the selected Claims Bar Date: i) Via e-mail to all known and potential Sunrise Claimants; ii) Distribute Social Media Notice iii) Post on Receiver's website The Receiver, at its discretion, may extend the date generally or in individual case	Within 45 days of receipt of Information Gaps
Request for Amendment		To be submitted by the Claimant by no later than the Claims Bar Date
Proof of Claim Form		To be submitted by the Claimant by no later than the Claims Bar Date
Notice of Revision or Disallowance		No later than 45 days after the Claims Bar Date
Dispute Notice		Ten (10) calendar after the Notice of Revision or Disallowance
Dispute Resolution	Receiver to bring a motion to the Court to determine the procedure for resolving any and all outstanding disputes	TBD

5.3 Notice of the Claims Process

5.3.1 Pursuant to the proposed Claims Process and subject to the Receiver obtaining the Information Gaps and completing its analysis thereof, the Receiver will:

a) E-mail the Claims Process Order, the Claims Package and related schedules to all known and potential Sunrise Claimants (based on the database of e-mail addresses obtained from the various sources as outlined herein);

b) Post copies of the Claims Process Order (and related schedules) on the Receiver's case website;

c) Request that Sunrise Claimants maintaining social media websites and/or chat forums for the purpose of facilitating information in respect of these proceedings, post copies of the Claims Process Order (and related schedules) on such social media websites and/or chat forums as soon as possible;

d) Deliver as soon as possible (via e-mail), a copy of the Claims Process Order (and related schedules) to any person identified based on the Information Gaps requested to be provided by CIBC and RBC provided that such information is received prior to the Claims Bar Date;

e) Deliver as soon as possible (via e-mail), a copy of the Claims Process Order (and related schedules) to any person claiming to be a Sunrise Claimant and requesting such material, provided that such request is received prior to the Claims Bar Date;

f) Deliver to Canada Revenue Agency and the Ministry of Finance by regular mail a copy of the Claims Process Order and standard form proof of claim.

5.4 Claims Package

5.4.1 The Receiver will send a Claims Package via email to every known potential Sunrise Claimant. The Claims Package will include:

a) A notice to Sunrise Claimants, providing a link to access the Claims Portal;

b) A Claim Statement;

c) An Instruction Letter to assist the Sunrise Claimants to enter and submit their Claim Form and any relevant documentation, in particular:

- Name and contact information;

- Government issued identification;

5.4.2 Each Sunrise Claimant that wishes to participate in the Claims Process and be eligible for a distribution, if such Claim is determined to be valid, must swear a declaration to the completeness and accuracy of the Claim Statement and will be required to provide the Receiver with their contact information (including applicable government issued identification).

5.5   Claims Bar Date

5.5.1   All Claims Statements or Proofs of Claim must be submitted on the Claims Portal such that they are received by the Receiver by the Claims Bar Date being 5:00 p.m. (Toronto time) on the 45th day following service by the Receiver of the Public Notice to Claimants and the posting of said Notice on the Receiver's website or such later date as the Receiver may agree in writing or the Court may order. The Claims Bar Date shall be specifically set out in the Notices and Forms sent to Claimants, and shall be posted on the Receiver's website, once known.

5.5.2   Any Sunrise Claimant who does not submit their Claim Statement, Proof of Claim, or Request for Amendment, together with supporting documentation in respect of such Claim, on or before the Claims Bar Date:

   a)   Shall be forever barred from asserting or enforcing any Claim against the Applicants and/or the Contested Funds and all such Claims shall be forever extinguished;

   b)   Shall not be entitled to receive any distribution from the Contested Funds;

   c)   Shall note be entitled to any further notice and shall not be entitled to participate as a creditor in these Proceedings.

5.5.3   The Receiver may, at its sole discretion, extend the Claims Bar Date generally or in individual cases. If the Claims Bar Date is extended generally, the Receiver will post a notice of the extension on its case website.

5.5.4   At any time, the Receiver may:

   a)   Request additional information with respect to any Claim and may request that a Sunrise Claimant file a revised Request for Amendment or Proof of Claim;

   b)   Attempt to consensually resolve any Notice of Dispute;

   c)   Revise or disallow a Claim.

5.5.5   Where a claim has been accepted by the Receiver, it will constitute a Proven Claim for the purposes of the Claims Process.

5.6   Disputes

5.6.1   The Receiver will review and consider any Request for Amendment and/or Notice of Dispute and may accept the amendments requested, or revise or disallow them by way of a Notice of Revision or Disallowance.

5.6.2   Any Claimant who intends to dispute a Notice of Revision or Disallowance is required to deliver a Dispute Notice to the Receiver within 10 days of the Notice of Revision or Disallowance or such later date as the Receiver may agree to in writing or the Court may order. Once a Dispute Notice is received, the Receiver may attempt to resolve and settle a disputed Claim with the Claimant.

5.6.3 If a Claimant fails to properly deliver a Dispute Notice, the amount of such Claimant's claim will be deemed to be the amount set out in the Notice of Revision or Disallowance.

5.6.4 The Claims Process Order provides that any Dispute Notices that cannot be resolved with Claimants be brought to the Court, for a determination as to the most appropriate resolution. It is the Receiver's opinion that such a process should only be devised once the nature and quantum of the disputes is determined so that an appropriate mechanism may be proposed to this Court for approval.

5.7 Declaration of residency

5.7.1 The Receiver will require that each Sunrise Claimant make a declaration in respect of S. 116 of the *Income Tax Act* (the "ITA") for any non-residents of Canada. At this time, the residency of the Sunrise Claimants is unknown as there are no records in respect of Claimants' addresses, or otherwise. As a result, this information will not be known until after the Claims Process is completed.

5.7.2 Accordingly, in order to proceed with a distribution to the Sunrise Claimants a future order will be sought from the Court at a later date on notice to CRA.

5.7.3 The Receiver hereby seeks approval and authorization from the Court to implement the Claims Process.

6.1   Pursuant to paragraph 16 of the Appointment Order, any expenditure or liability which shall properly be made or incurred by the Receiver, including the fees and disbursements of the Receiver and the fees and disbursements of the Receiver's Counsel constitute part of the "Receiver's Charge". The fees and disbursements of the Receiver for the period ending April 30, 2022 are detailed in the affidavit of Chris Mazur, a copy of which is attached as Appendix H. The fees and disbursements of the Receiver's Counsel are detailed in the Affidavit of Danielle Iampietro, a copy of which is attached as Appendix I.

6.2   The Receiver's fees to April 30, 2022 encompass 296.2 hours at an average hourly rate of approximately $308.74 for a total of $91,450.00 prior to applicable taxes. The Receiver is therefore requesting that this Honourable Court approve its total fees inclusive of applicable taxes in the amount of $103,338.50.

6.3   The Receiver's Counsel's fees to April 30, 2022 encompass 50 hours at an average hourly rate of approximately $369.26 for a total of $18,462.75 prior to disbursements of $8.93 and applicable taxes. The Receiver is therefore requesting that this Honourable Court approve the Receiver's Counsel's total fees and disbursements inclusive of applicable taxes in the amount of $20,873.00.

7.0 STATEMENT OF RECEIPTS & DISBURSEMENTS

7.1   Appendix J, attached, presents a summary of the Receiver's Interim R&D for the period December 7, 2021 to May 18, 2022. As is illustrated, receipts total approximately $1.35 million related primarily to the Contested Funds on hand at the various Institutions that the Receiver has recovered to date as outlined herein.

7.2   The Receiver has made disbursements of approximately $160,000, primarily related to professional and legal fees, the Court Ordered charges for the Applicant's counsel pursuant to the Appointment Order and bank charges. Accordingly, as at May 18, 2022 the Receiver has net funds in its accounts of approximately $1,191,000.

8.1 The Receiver respectfully submits this First Report to the Court in support of the Receiver's motion for an Order:

- approving the First Report and the Receiver's activities as outlined herein;

- requiring RBC to provide the Receiver with the details of the RBC Transactions;

- authorizing and directing the Receiver to proceed with the Claims Process;

- declaring that only those Sunrise Users who e-transferred funds to the bank accounts of the Applicants are eligible to make a Claim to the Contested Funds;

- authorizing the Receiver to take no further actions in relation to the Sunrise Wallets;

- approving the fees and disbursements of the Receiver and the Receiver's Counsel, as outlined herein; and

- approving the Receiver's Interim R&D.

All of which is respectfully submitted this 19th day of May 2022.

AFFIDAVIT OF BAO YING CAO

I, Bao Ying Cao, of the Richmond Hill, in the Province of Ontario, MAKE OATH AND SAY:

1.   I am one of the applicants in this proceeding, and, as such, have knowledge of the matters contained in this affidavit. Where my affidavit is based on the information of others, I state the source of this information and believe it to be true.

2.   I immigrated to Canada at the age of 16. After high school, I attended Seneca College for the Travel and Tourism program. Currently I am working as an assistant to a real estate broker. I do not have a corporate or business background and I have never been involved with cryptocurrency before July 25, 2021.

My initial interactions with Yang

3.   On July 25, 2021, I was browsing a Chinese-Canadian online forum called yorkbbs.ca. I came across a part-time trading job advertisement on this forum. The advertisement had little information and provided a WeChat contact for more information.

4.   I messaged the WeChat profile on the same day. The person I messaged told me that he needed help buying USDT, which I learned is a form of cryptocurrency. He told me that he would transfer me money to purchase USDT, which I would then transfer back to him. He told me that I would be paid a 5% commission for each transaction. I told him that I had no experience in cryptocurrency or this type of transaction, but he did not ask me for further qualifications or credentials relating to this job.

5.   I later found out that the person I was messaging claimed that his name was Xiaodong Yang and that he lived in Shanghai, China. I only spoke to Yang over WeChat and WhatsApp. I never saw his face other than the photo on what he said was his passport.

6.   Over the next few days, I told Yang that I preferred to receive money through e-transfers and sent Yang my e-transfer email address, which was linked to my HSBC bank account. I told him that I did not need a security password to receive e-transfer funds because I had auto-deposit enabled on my bank accounts. I also downloaded Binance, which is a cryptocurrency trading platform, at Yang's instruction. I sent him a photo of my passport.

7.   On August 3, 2021, Yang transferred me money to then transfer to one of his "customers". Yang told me that this was a customer refund. This was the first time he mentioned that there were customers involved in this job. I did not understand his request, but I then trusted

his assurances that this was a legitimate part of his business, and I sent the e-transfer through my HSBC account.

8.   On August 4, 2021, Yang taught me how to purchase USDT through Binance. I made my first USDT purchase that day at Yang's instruction. On August 5, 2021, Yang sent me a QR code to his "imToken" digital wallet – which allowed me to transfer cryptocurrency to Yang – and told me to transfer the USDT that I had purchased to this wallet. I complied with his instructions.

9.   I asked Yang for details about his business during this time. He told me that he operated a cryptocurrency platform and purchased USDT for customers who did not know how to purchase cryptocurrency themselves. He also told me that customers used his service because he had access to a USDT discount. I later learned that his platform was called Sunrise Technology. Yang told me that customers would send money to my accounts, which I should use to purchase USDT. He told me to then send that USDT to him to distribute to the customers.

10.   Since I had no experience in business or cryptocurrency, I did not then understand that anything Yang had asked me to do was improper or unusual. Further, as Yang had not asked me to contribute any of my personal funds in the venture, I did not believe then that he was operating a fraud or unlawful enterprise. I therefore agreed to Yang's plan and complied with his instructions.

I begin participating in Yang's operation

11.   In August 2021, Yang involved me in many aspects of his operation very quickly. On August 6, I began to receive e-transfers from Yang's customers into my bank accounts. Yang

also began sending me a daily list of customers to whom I needed to send money. He told me that these were either customer refunds or payments for USDT traded on his platform.

12.   I performed these daily transactions from August 6, 2021 to October 26, 2021. All customer funds I received into my bank accounts were through e-transfers. The vast majority of funds I sent back to customers were also through e-transfer. I used PayPal to transact with customers who preferred this method. Later in September, I used the Wise platform, which is an application that allows for an unlimited number of daily e-transfers, to send money to customers. I also sent bank drafts from my CIBC Business account for customers who required them.

13.   As the operation continued through August and September of 2021, the volume of customer transactions increased. I initially used both my Scotiabank and HSBC accounts to transact with customers. However, these accounts imposed a daily transaction limit. Yang repeatedly asked me to open up new bank accounts. On August 31, 2021, I opened a CIBC personal account to be able to process more transactions.

14.   On September 6, 2021, I met a cryptocurrency trader on Binance named Chenda Lin. Lin received payment for USDT trades through his EQ account and recommended to Yang and I that we also open an EQ bank account. This was because there was a large $30,000 daily transfer limit between EQ accounts. After hearing this, Yang told me to open an EQ account. I opened the account as he instructed. I used this EQ account to purchase USDT and to send money to my Wise account for customer transactions. Before I opened this EQ account, I purchased USDT with my other bank accounts.

15. In mid-September 2021, I was no longer comfortable with the volume of customer funds that came into my personal bank accounts. I talked to Yang about incorporating a business for this operation and he was supportive of this idea. On September 21, my accountant incorporated 13364097 Canada Inc. ("**133**"). On September 23, 2021, I opened a CIBC business account linked to 133. From this point onwards, I primarily used this account to process customer transactions, although some customers who had already sent money to my other accounts continued to send money to those accounts. I only incorporated 133 to hold funds from Yang's customers and to increase the number of daily transactions I could perform. I did not mix personal funds with the funds in 133.

16. Attached as Appendix "A" is a summary of all the bank accounts and other platforms I operated for Yang's operation.

17. Yang also instructed me to purchase USDT on Binance and then transfer it to his imToken digital wallet. Yang told me that the USDT I sent to him would be redistributed to the "customers" who had been sending me funds. I would only purchase USDT when Yang asked me to, and I sent all amounts purchased to Yang. I used customer funds to purchase USDT on Binance by e-transferring the purchase price to Binance traders through my various bank accounts. Once the traders received my e-transfer, they would release the USDT to me on Binance. I would then withdraw the USDT and send it to Yang's via his imToken QR code. Yang once instructed me to sell USDT on Binance because I did not have enough money to transact with customers. I did as he instructed. I ultimately purchased $152,588 worth of USDT and transferred these amounts to Yang. Although I believed at that time that Yang would redistribute the USDT I sent him to "customers," I do not know if he ever did so.

18.　　Yang also told me when to withdraw my 5% commission and how much to withdraw. When he instructed me to do so, I transferred these amounts from my chequing accounts to my HSBC and CIBC business savings accounts. Although I separated these amounts from other customer funds, I did not deplete these funds. On a single occasion, I transferred approximately $21,000 of the monies designated as my "commissions" to a separate RBC account, but I returned this money to my HSBC account once I learned that Yang's operation may be fraudulent. The result is that there are no longer any "customer" funds in this RBC account. I do not believe that I converted any "customer" funds to my personal use. If I have inadvertently depleted any of these funds, I am willing to repay these amounts.

19.　　To summarize, beginning in August 2021, I undertook the following transactions at Yang's instruction:

(a)　　Received customer funds into my Scotiabank, HSBC, CIBC Personal, CIBC Business, and PayPal accounts;

(b)　　Transferred some customer funds back to customers using my Scotiabank, HSBC, CIBC Personal, CIBC Business, EQ, Wise, and PayPal accounts;

(c)　　Purchased USDT from traders on Binance and transferred the USDT to Yang;

(d)　　Transferred "commissions" to my HSBC and CIBC Savings accounts.

I begin to become suspicious of Yang and seek legal advice

20.　　On September 22, 2021, I told my boyfriend about my involvement in Yang's operation for the first time. He questioned whether Yang was in fact distributing the USDT to customers as

he promised. Hearing his concerns made me very anxious and suspicious. I wanted to seek legal advice to make sure that Yang's business was in fact legitimate as he had represented to me.

21.   On October 5, 2021, I consulted a lawyer for the first time. He was not knowledgeable in my issue and referred me to other lawyers. I continued to consult various lawyers throughout October until I retained Polley Faith LLP on October 26, 2021.

22.   During October 2021, and prior to retaining Polley Faith LLP, the volume of daily customer transactions was becoming overwhelming. I barely had time to keep up with the transactions. I told Yang multiple times to stop advertising this business until I could be sure that it was legally compliant. He told me that this was not possible because he had already paid for the advertisements.

23.   I continued to receive an influx of customer funds into my bank accounts. I felt obligated to continue transacting with customers during this time because I held such a large amount of customer funds. Yang also threatened that if I stopped the operation, customers would file complaints.

24.   I did not understand that Yang's operation was a fraud until the Polley Faith lawyers investigated the Sunrise Technology business with me on and after October 26, 2021. After I learned of this fact, I immediately stopped communicating with Yang and did not further transact with customers.

25.   Since stopping the operation, Yang has repeatedly messaged me and called me. He has threatened that customers will be taking police action. He sent me his last message on October 30 and he appears to have since blocked me on WhatsApp and WeChat.

Events since retaining Polley Faith LLP

26.   Since retaining Polley Faith LLP, I have learned that Yang's operation was not as he had

represented to me. Instead of providing a USDT trading platform, in fact, Yang had advertised an

entirely different business to the public. I now understand that Yang's Sunrise Technology

business was an application which offered commissions for users' participation in a scheme said

to involve placing fake orders on various e-commerce platforms. Yang never mentioned

anything remotely related to this scheme. I knew nothing of the real Sunrise Technology

application and have never downloaded it. As I have affirmed above, Yang had told me that all

customer funds I had received and sent were specifically for trading in USDT.

27.   I understand that my lawyers have contacted the banks with which I have accounts to

disable the auto-deposit feature. I believe the last auto-deposit I received from a Sunrise

Technology customer was on November 5, 2021.

28.   Since I stopped transacting with customers, many customers have emailed me directly to

demand the return of the money that they believed they had loaded onto the Sunrise Technology

platform. Some customers are also asking for further commission withdrawals from Sunrise

Technology. Many of these customers are very desperate. Since I used my family's address as

the address of 133 (then believing that Yang and his business were legitimate, and so having

nothing to hide myself), three customers have come to my family's home to demand the return of

their money. I am very afraid for my family's safety.

29.   I have filed a complaint about Yang and his business with the York Regional Police, and

am fully cooperating with their investigation, including by providing a large package of

evidence. I provided a statement to Detective Matthew Robinson-Vincent on November 18, 2021. I understand that Sunrise Technology customers have also been in contact with Mr. Robinson-Vincent.

30.   To the best of my knowledge, I now hold over $1.3 million of customer funds in all my bank accounts combined, most of which are not intermingled with my personal funds. The only accounts in which this has occurred is my HSBC and Scotiabank accounts, both of which together now hold under $50,000. I now understand that these funds do not belong to me and I have no interest in these funds. My only interest is to ensure that these funds are returned to people who were defrauded by Yang. I am committed to returning these funds to the respondents entitled to them in whatever manner is directed by the Court. I have not colluded with either Yang or any users of Sunrise Technology in making this application.

31.   Due to the complexity and volume of transactions I performed and the number of accounts and platforms I used, I am unable to determine how and to whom I should return the customers' funds. A detailed accounting of my bank records will likely be required. It is for this reason that I am seeking the assistance of the Court.

32. Additionally, as an assistant to a real estate broker with an annual salary of approximately

$60,000, I would suffer financially if I were required to personally finance the cost of bringing

this application.

XIAODONG YANG and USERS OF SUNRISE TECHNOLOGY

Respondents

AFFIDAVIT OF JEFFREY WANG
(DECEMBER 3, 2021)

I, Jeffrey Wang, of the City of Toronto, in the Province of Ontario, AFFIRM:

1.   I am an articling student at Polley Faith LLP, counsel for the applicants. In that capacity,

I have knowledge of the facts in this affidavit. Where my affidavit is based on the information of

others, I state the source of this information and believe it to be true.

2.   I have assisted Polley Faith LLP in investigating the Sunrise Technology application. I

first learned of Sunrise Technology after Bao Ying Cao retained our firm on October 26, 2021.

Ms. Cao told me that she had been communicating with Xiaodong Yang, who told her that he

operated a cryptocurrency trading platform called Sunrise Technology. Ms. Cao told me that she

has operated multiple bank accounts at Yang's instruction to enable customers to transact with

Sunrise Technology.

3.   I have determined that Yang has lied to Ms. Cao about the nature of Sunrise Technology

and that the Sunrise Technology platform is a fraud.

Our firm's investigation

4.   Upon learning from Ms. Cao that Yang called his business "Sunrise Technology", members of my firm, including myself, performed several Google searches that led to a website with the URL "www.sunrise-tech.ca". At the time of affirming this affidavit, the website is down (the reason for which I detail below), however I preserved screenshots of the website attached to this affidavit as "**Exhibit A**". I believe that this website was connected to Yang based on its name as well as its logo, which matched the logo used by Yang in his Whatsapp chats with Ms. Cao. The website described Sunrise Technology as a multibillion-dollar marketing company and linked to an app available on the Apple Store and Google Play platforms.

5.   As part of our investigation, I downloaded a copy of the Sunrise Technology application from the Google Play store and signed up with a pseudonym. I learned from this that the Sunrise Technology application is a mobile application that allows users to earn "commissions" by placing false e-commence orders. To place orders, users must first upload funds onto the application in the form of Canadian dollars or USDT cryptocurrency. Each user can perform up to twenty (20) orders per day. Users can then withdraw their commissions in the form of Canadian dollars or USDT cryptocurrency. Attached as **Exhibit "B"** are relevant screenshots of the Sunrise Technology application.

6.   I was able to confirm that the Sunrise Technology application that I investigated is associated with Yang's operation. I discovered that this application contains the same imToken QR codes that Yang provided to Ms. Cao when he asked her to send him USDT. The imToken QR codes on the application enabled users to send USDT directly to Yang's digital wallet. Attached as **Exhibit "C"** are screenshots of the QR codes.

7.   From my investigation, I determined that the funds that Cao was receiving into her bank accounts – which Yang represented as customers placing USDT orders – were obtained from Sunrise Technology users who believed that they were loading funds onto the application. I determined this not only from the fact that the Sunrise Technology app was associated to Yang's operation, but also from emails I had viewed in which customers had demanded the return of money that they had sent to Ms. Cao by e-transfer, believing that they had loaded these funds onto the Sunrise Technology application. A sample of these emails is attached as **Exhibit "D"**.

8.   I also believe, although did not determine with certainty, that the funds that Yang told Cao to send back to customers – which Yang had represented were refunds or payments for a USDT trade – were in fact paid to Sunrise Technology users who believed they were "withdrawing" their commissions.

I believe that Sunrise Technology is a fraud

9.   For the following reasons, I believe that Yang's operation was a fraudulent scheme:

(a)   Yang received proceeds from his scheme by the USDT transfers that Yang told Sunrise Technology users and Ms. Cao to send to his imToken digital wallet. According to my limited knowledge of cryptocurrency, I believe that such digital wallets are difficult, if not impossible, to trace;

(b)   The website for Sunrise Technology (sunrise-tech.ca) claimed that the company was a subsidiary of Omnicom Group, an international communications company with annual revenues of $15 billion. Andrew Faith, a partner of our firm, contacted the Associate General Counsel of Omnicom Group, who confirmed that

the company has no affiliation with Sunrise Technology. Attached as **Exhibit "E"** is a copy of the email between Omnicom Group and Mr. Faith. I believe that Omnicom Group has since taken action to remove the Sunrise Technology website. Attached as **Exhibit "F"** is a copy of the email from Omnicom Group to Mr. Faith to this effect;

(c)   Although Sunrise Technology has now accumulated over $1.3 million in user funds, the entirety of this money was moved through unsophisticated methods such as e-transfers and PayPal. The application also used unsophisticated methods such as WhatsApp to communicate with its users;

(d)   Yang recruited Cao to work on Sunrise Technology on a Chinese-Canadian online forum called yorkbbs.ca. This initial job posting has now been deleted. Yang did not inquire into Ms. Cao's qualifications and immediately involved her in all aspects of the operation. As his operation expanded, Yang posted similar ads containing his WeChat contact information on yorkbbs.ca and other Chinese-Canadian forums looking for additional help. Attached as **Exhibit "G"** are screenshots of these later ads;

(e)   According to Ms. Cao, Yang never appeared on camera and only communicated with Ms. Cao via encrypted apps such as WhatsApp and WeChat;

(f)   Many users of Sunrise Technology have reported that the application is fraudulent. On the Google app store, many reviews of the application claim that Sunrise Technology will only allow a limited number of commission withdrawals.

Many users have reported that they have lost money to the application. Attached as **Exhibit "H"** is a screenshot of these reviews;

(g)   Customers have emailed our firm stating that they had lost money to the Sunrise Technology application by sending e-transfers to other recipient accounts not associated with Ms. Cao. Attached as **Exhibit "I"** are examples of these emails.

(h)   Following Ms. Cao's refusal to engage further with Yang shortly after she retained our firm, Yang has failed to assert any legitimate ownership of or rights to his business or the funds held by Ms. Cao. In fact, I understand from Ms. Cao that she is no longer able to contact Yang on his WhatsApp and WeChat accounts.

Events since Ms. Cao retained Polley Faith LLP

10.   Our firm advised Ms. Cao to stop participating in the Sunrise Technology scheme as soon as we were retained on October 26, 2021. Soon after, the Sunrise Technology application published a notice that from October 28 onwards, the application would no longer accept cash deposits and withdrawals. I believe that this loss of functionality was likely due to Ms. Cao's refusal to further transact with customers. Attached as **Exhibit "J"** is screenshot of this message in the Sunrise Technology application.

11.   Many Sunrise Technology users have been contacting Ms. Cao and our firm to demand the return of their money. Many have represented that they are no longer able to withdraw their commissions despite loading money onto the application and have lost significant amounts of money.
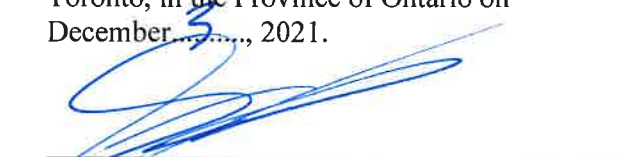

12.   Our firm has been in contact with the York Regional Police and Michael Fawcett, the Crown Counsel assigned to this case. Mr. Fawcett has agreed that this civil interpleader order and the appointment of a receiver is the best way to distribute customer funds back to the entitled respondents, as opposed to a criminal forfeiture action. Attached as **Exhibit "K"** is the email from Michael Fawcett to Andrew Faith to this effect.

13.   Following our case conference with Mr. Justice Michael Penny on November 30, 2021, our firm has tried to serve as many users of Sunrise Technology as possible with the notice of application. We have been in contact with Detective Matthew Robinson-Vincent from the York Regional Police who has access to a WhatsApp group containing 149 users of Sunrise Technology. He advised me on December 1, 2021 that he has provided the notice of application to these users.

14.   Our firm has also extracted the email addresses of everyone who has transacted with the applicants in relation to the Sunrise Technology application. We have served these addresses with the notice of application on December 2, 2021. It appears that we could not access the emails of the customers who sent e-transfers to the applicants from RBC accounts, since RBC auto-generates a temporary email for e-transfer purposes.

15. Our firm has also created a dedicated email address to handle inquiries from Sunrise Technology users. We have received emails from some users suggesting that Cao and 13364097 Canada Inc. are not the only entities that hold funds relating to the Sunrise Technology fraud. Some users of Sunrise Technology may have sent funds to other accounts not controlled by Cao. Our firm has no knowledge of these accounts.

25.   **THIS COURT ORDERS** that, in order for a Claim Statement to be properly filed pursuant to this Order, said Claim Statement shall be:

(a)   written in the English or French language;

(b)   accompanied by a government-issued photo identification of the Claimant, indicating the Claimant's name and a photograph of the Person; and

(c)   conform substantially with the Claim Statement attached as Schedule "C" to this Order.

26.   **THIS COURT ORDERS** that Unaffected Claims shall not be subject to this Order and holders of Unaffected Claims shall not be required to file a Proof of Claim in respect of their Unaffected Claims.

27.   **THIS COURT ORDERS** that any Claimant who disagrees with the Claim amounts or other information stated in the Claim Statement must complete a Request for Amendment in the Claims Portal, and provide all supporting documentation to the Receiver, such that the Request for Amendment is actually received by the Receiver by the Claims Bar Date or such later date as the Receiver may agree in writing or the Court may order.

28.   **THIS COURT ORDERS** that any party believing itself to be a Claimant, other than those entitled to receive a Claims Package and Notice to Claimants, shall file with the Receiver a Proof of Claim through the Claims Portal, so that such Proofs of Claim are actually received by the Receiver by no later than the Claims Bar Date.

29.   **THIS COURT ORDERS** that, at any time, the Receiver may: (i) request additional information with respect to any Claim, and may request that a Claimant file a revised Request for Amendment or Proof of Claim; (ii) attempt to consensually resolve the amount or any other aspect of a Claim; or (iii) revise or disallow a Claim.

DETERMINATION OF CLAIMS

30.   **THIS COURT ORDERS** that, subject to the terms of this Order, the Receiver shall review all Requests for Amendment and Proofs of Claim (and any supporting

documentation) filed on or before the Claims Bar Date, and may accept, revise or disallow (in whole or in part) the Claim set out in any Request for Amendment or Proof of Claim.

31. **THIS COURT ORDERS** that, in the case of any Request for Amendment, the Receiver: (a) shall review and consider the Request for Amendment; and (b) may accept the amendments requested, or revise or disallow them by way of Notice of Revision or Disallowance, sent to the Claimant, together with the form of Dispute Notice, by no later than 45 days after the Claims Bar Date.

32. **THIS COURT ORDERS** that, if the Claimant does not dispute the Notice of Revision or Disallowance, then, subject to further order of this Court, the Notice of Revision or Disallowance shall be deemed to be accepted as final and binding.

33. **THIS COURT ORDERS** that if the Receiver does not deliver a Notice of Revision or Disallowance, subject to further order of this Court, the amount of the Claim or the information set forth in such Claimant's Request for Amendment or Proof of Claim shall be deemed to be accepted as final and binding.

34. **THIS COURT ORDERS** that, unless the Claim Statement is confirmed in the Claims Portal or in writing, or a Request for Amendment is completed in the Claims Portal or received by the Receiver in writing on or before the Claims Bar Date, the Claimant shall not be eligible for a distribution from the Contested Funds. In the event that the Claim Statement and the information therein is confirmed, it shall be final and binding on the Claimant, and may be relied upon by the Receiver in valuing the Claim for all purposes,

and the Claimant shall be barred from making any Claim inconsistent with the information contained in the Claim Statement.

35.   **THIS COURT ORDERS** that where a Claim has been accepted by the Receiver, and a Claim Statement confirmed in accordance with paragraph 21, such Claim shall constitute a Proven Claim for the purposes of the Claims Process. The acceptance of any Claim or other determination of same in accordance with this Order, in whole or in part, shall not constitute an admission of any fact, thing, obligation, or quantum of any Claim by any Person, save and except in the context of the Claims Process.

Dispute Notices

36.   **THIS COURT ORDERS** that any Claimant who intends to dispute a Notice of Revision or Disallowance shall deliver a Dispute Notice, in substantially the form attached as **Schedule "F"** hereto, by upload to the Claims Portal, such that the Dispute Notice is actually received by the Receiver by 5:00 p.m. (Toronto time) on the day which is ten (10) calendar days after the date of the Notice of Revision or Disallowance, or such later date as the Receiver may agree to in writing or the Court may order.

37.   **THIS COURT ORDERS** that if the Receiver does not receive a Dispute Notice with respect to a Notice of Revision or Disallowance, in accordance with paragraph 36 of this Order, then, subject to further order of this Court, the Notice of Revision or Disallowance shall be deemed to be accepted as final and binding. The amount stipulated in the Notice of Revision or Disallowance, if any, shall constitute such Claimant's Proven Claim, and the balance of such Claimant's Claim, if any, shall be forever barred and extinguished.

38.   **THIS COURT ORDERS** that upon receipt of a Dispute Notice, the Receiver shall notify such Claimant of its determination as soon as practicable, and the Receiver may attempt to consensually resolve the amount of the Claim with the Claimant. If the Claimant disagrees with the Receiver's determination and any attempts to otherwise resolve the dispute are unsuccessful, the Receiver will bring a motion for the Court's approval of a procedure to determine the disputed Claim, together with any other such disputed Claims. In the report of the Receiver, the Receiver shall suggest an appropriate procedure to deal with any outstanding Dispute Notices fairly and efficiently.

39.   **THIS COURT ORDERS** that, where a Claim has been revised or disallowed pursuant to paragraph 31 of this Order, the revised or disallowed Claim (or revised or disallowed portion thereof) shall not be a Proven Claim until determined otherwise in accordance with the Claims Process or as otherwise ordered by the Court.

CLAIMS BAR

40.   **THIS COURT ORDERS** that any Claimant that does not: confirm the Claim Statement; deliver a Request for Amendment; or deliver a Proof of Claim, together with supporting documentation in respect of such Claim; in accordance with this Order, on or before the Claims Bar Date, shall, subject to further Order of the Court:

(b) not be permitted to participate in any distribution from the Contested Funds; and

(c) not be entitled to receive further notices in, or participate as a Claimant in, these proceedings.

The Claims Bar Date shall be specifically set out in the Notices and Forms sent to Claimants, and shall be posted on the Receiver's website, once known. The Receiver may, at its sole discretion, extend the date generally or in individual cases. If the Claims Bar Date is extended generally, the Receiver shall post notice of the extension on the Receiver's Website.

NOTICES OF TRANSFEREES

42. **THIS COURT ORDERS** that if, after the earlier of:

transfer or assignment, together with satisfactory evidence of such transfer or assignment, have been delivered to the Receiver, and the Receiver has acknowledged in writing such transfer or assignment. Thereafter, such transferee or assignee shall, for all purposes hereof, constitute the Claimant in respect of such Claim, and shall be bound by notices given and steps taken in respect thereof in accordance with the provisions of this Order, including any omission or failure to act on the part of the transferor or assignor, prior to the written acknowledgement by the Receiver of such transfer or assignment.

43.   **THIS COURT ORDERS** that if the holder of a Claim has transferred or assigned the whole of such Claim to more than one Person, or part of such Claim to another Person or Persons, such transfer or assignment shall not create a separate Claim, and such Claim shall continue to constitute and be dealt with as a single Claim, notwithstanding such transfer or assignment, and the Receiver shall not be bound to acknowledge or recognize any such transfer or assignment and shall be entitled to send notice to and to otherwise deal with such Claim only as a whole, and then only to and with the Person last holding such Claim in whole as the Claimant in respect of such Claim. 48.   **THIS COURT ORDERS** that in exercising the discretion to allow a third party to confirm, dispute, or file a Claim on behalf of a deceased or incapacitated Person, or to receive funds otherwise payable to such Person, the Receiver shall consider:
